### **NOTICE TO EXHIBITORS.**

Read carefully this rule touching all exhibits: "Exhibits not in place and fully installed by 12 o'clock Tuesday, October 16th, will receive no attention whatever from the Awarding Committee or Experts."

**Exhibitors must make themselves acquainted with the prize lists and regulations, and be sure in what classes and departments their entries belong.**

The original entry-card must in all cases be attached to the exhibit, except in cases of animals, when the card may be placed conspicuously upon the stall or pen.

No article will be entered in more than one department, except where otherwise provided. This rule applies to all exhibits except those in Speed Department.

Exhibitors will not be allowed to sell goods during the Fair (though they may receive and book orders), nor will they be permitted to call attention to their wares in any noisy or disorderly manner.

Exhibits that have been erroneously entered may be transferred by applying to the Superintendent of Entries before 12 o'clock noon Tuesday of the Fair. If, however, such classes have been judged, they shall not be reopened.

Persons entering live stock to be exhibited in the ring or on the track will be expected to have their stock ready when ordered, and if not brought in promptly it may be excluded from examination.

No animal or article will be allowed to leave the show grounds until after **5 o'clock on Friday**, this being a condition of the entry. **Transgressions against this rule will incur forfeiture of any premiums awarded.**

The Society makes no charges for space, and, except in special instances, exacts no entrance fees; but ten per cent of all premiums, aggregating five dollars or over, awarded by the Society will be retained as entrance fees, except where entrance fees are specifically charged. This is a liberal policy towards exhibitors, as no one will be required to pay unless awarded a premium.

## INTRODUCTION.

---

The Forty-sixth Annual State Fair will open on Monday, October 15, 1906, and continue throughout the week.

Preparations are being made for an agricultural display in 1906 that will far eclipse any heretofore shown. A large division of the great Agricultural Building has been reserved exclusively for Field and Garden Crops. The Board of Agriculture, moved by a patriotic desire to help the farmers of all sections by showing them just how the farmers of the different sections are getting the largest return from the money invested and the labor expended, have generously offered, through this Society, \$750 for premiums on Field and Garden Crops. Fourteen staple crops have been selected—Corn, Cotton, Wheat, etc. On each a first premium of \$25, a second of \$15, a third of \$10 will be given for the **LARGEST YIELD FROM ONE ACRE**, a named quantity of each to be shown at the Fair. Also a set of premiums on the best display of **TRUCKING**. These premiums are liberal and should call forth eager competition. These premiums are in addition to about \$7,000 offered by the Society.

The information obtained from the competitors for these premiums in 1905 has been published in pamphlet form and will be sent to any address on request.

Let's all work together and have the **GRANDEST DISPLAY OF AGRICULTURAL PRODUCTS** that we can possibly get together, and **SUCH A DISPLAY AS WE OUGHT TO HAVE AND CAN HAVE**.

Every farmer is invited and urged to bring forward his products. No entry fee is charged, and exhibits are returned free of freight charge on certificate from the Secretary. The stalls and cattle pens have been rebuilt—an abundant water supply by means of tanks is provided.

Note especially the premiums on **TRUCKING AND SILK CULTURE**, and revised premiums on **POULTRY AND PET STOCK**.

For complete list, including the premiums, besides field products, for horses, cattle, sheep, swine, poultry and pet stock, fruits and flowers, pantry supplies, manufactures, ladies' needle and fancy work, fine arts, agricultural implements and machinery, minerals and building stones, and for general displays, educational exhibits, historical and scientific displays, athletics and tests of speed, send your name and post-office address to the Secretary.

There will be a brilliant Midway, with nothing to offend or demoralize. No toy whips will be allowed on the grounds. No "strong" games of chance of any kind whatsoever will be allowed on the grounds, and the management puts itself on record with a pledge to the public to use all possible efforts to prevent gambling. The free attractions will be entirely new and first-class in every respect. The trials of speed will be better than ever before. A great circuit of the leading fairs in Virginia and North Carolina has been formed, and this will bring a faster and better class of horses.

This Fair has done and is still doing a great work for our people, and we bespeak for it a continued liberal patronage. This is the greatest place in North Carolina for friends to meet friends and to have a jolly good time. Let us greet you, one and all.

JOSEPH E. POGUE,  
Secretary.

# AN ENGINE WITHOUT AN ENGINEER

## An I. H. C. Gasoline Engine

does not require an engineer to run it. It is so simple and practical in construction that it requires very little attention and is easily operated by anyone.

## An I. H. C. Gasoline Engine

runs smoothly and produces more power than rated. It is very economical in the use of fuel, consuming less per horse power than any other engine of the same rated capacity.

## An I. H. C. Gasoline Engine

is a wise investment. It saves time and money, and increases your profit as a result of the increased production. No progressive farmer can afford to be without an I. C. H. engine. **There is one to fit your special need.**

Made in the following styles and sizes:—

Vertical—2, 3 and 5 horse power.

Horizontal—4, 6, 8, 10, 12 and 15 horse power.

Portable—6, 8, 10, 12 and 15 horse power.

Call and examine an I. H. C. gasoline engine and see for yourself the merits of this engine.

3. All employees of the Fair, including police, must wear badges and be promptly on hand at their posts at 8 o'clock a. m. each day of the Fair and remain on duty till 6 o'clock p. m. (except night force).
4. Every reasonable effort will be made by the officers of the Society and those in charge of the grounds to protect the property on exhibition from loss or damage, but the Society will not hold itself responsible should loss or damage occur.
5. Drunkenness, quarreling or the use of profane or obscene language will not be allowed on the grounds, nor the presence of fireworks, petroleum, gunpowder or any other dangerous or objectionable material whatever.
6. Persons desiring space for the exhibition of articles of machinery not entered for competition should apply to the Secretary as early as possible, giving the name of the exhibitor and article, place of residence and the amount of space required.
7. Exhibitors of horses, cattle, sheep and swine will be required to display over each stall or pen occupied by their stock a placard containing the name, age and breed of animal occupying the stall or pen, and also the name and address of the owner. The placard will be furnished and filled up at the Secretary's office.
8. No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds, except by a special license obtained from the Secretary of the Society.
9. The distribution of handbills or other advertisements is strictly prohibited about the grounds or buildings, except under direction of the Superintendent.
10. No article or animal will be entitled to space until the proper entry has been made. After an article or animal has been entered for a premium, it cannot be removed until the close of the Fair without permission from the Secretary or the Supervisor in charge of the department; and if any person removes an article or animal without such permission, he forfeits all claims to a premium, even if the same shall have been awarded.
11. Each department will be under the special charge of its Director. He will oversee the arrangement of all articles offered for exhibition in his department, and have control of the space assigned to it. He will be assisted in his duties by a special superintendent, who will receive all exhibits, take personal charge of them, countersign the exhibitor's coupons, and deliver the articles on the surrender of the countersigned coupons at the close of the Fair.
12. The exhibition of articles not mentioned in the Premium List is solicited. These will be assigned to proper departments, displayed to visitors, and reported on by the judges.
13. The Executive Committee reserves the right to withhold premiums in any case in which it shall appear to them that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.
14. There will be a free Bureau of Information at the main office, where all questions will be cheerfully answered.
15. Exhibitors must provide, at their own cost, all show-cases, shelvings, counters, fittings, etc., which they may require.
16. Exhibitors' business cards, pamphlets, circulars, samples, etc., may be placed and be distributed from within the space allotted them.

MENTION PREMIUM LIST IN WRITING TO ADVERTISERS.

## ADMISSION.

17. The gates will be open at 8 o'clock a. m. each day.

Single ticket, admitting one person once.....	\$0.50
Each person in any vehicle.....	.50
Children between seven and twelve years of age.....	.25
Badge for two-horse licensed hack, admitting hack and driver at either gate at all times during the Fair.....	3.00
For one-horse hack.....	2.00
Drays .....	1.00

18. Special rates will be given schools, factories, private excursions and such organized bodies as approved by the Secretary.

19. Life members and members of the Executive Committee, when reporting to the Secretary, will receive admission tickets.

20. No person shall be permitted to remain on the grounds over night except those holding permits, which must be secured from the Secretary.

21. **SPECIAL RULE.**—The Society makes no charge for space, and, except in special instances, exacts no entrance fees; but ten per cent of all premiums aggregating five dollars or over awarded by the Society will be retained as entrance fees, except where entrance fees are specifically charged. This is a liberal policy towards exhibitors, as no one will be required to pay unless awarded a premium.

## ENTRIES.

22. The entry-books will be open at the office of the Secretary of the Society in the city of Raleigh from September 25th to and including the Friday next before Fair Week, and at the Secretary's office at the Fair Grounds on Saturday and until 12 o'clock m. on Tuesday, when all entries will close. Much trouble and annoyance may be avoided by observing this regulation.

23. Entries may be made in person or by proxy. In making entries it will be necessary to give the name of the article, the name and post-office address of the exhibitor, and the premium number under which the article entered is to compete. This is especially necessary in order that the articles may be properly entered.

24. All articles which are the product of the soil must be entered in the name of the producer. Those showing handiwork of skill must be entered in the name of the one whose skill they exhibit. Such may be individuals, firms, or factories. They must have been made within three years and not exhibited at any former Fair of this Society. All other property must be entered in the name of the actual owner. Any violation of this rule will bar the violator from competing for any premium whatever, and render him and his exhibit liable to expulsion from the grounds.

25. In case special facilities for meritorious exhibits are required, such entries shall be made before October 1st. Any person may enter as many different articles as he or she may own, in any department.

26. The same article or animal cannot compete for the premiums of two or more premium numbers, except when otherwise stated in the head-notes of the department in which it is exhibited.

27. All entries will be numbered and recorded in the books of the proper department and class, and corresponding tags will be issued, which must be attached to the exhibit before such can be placed on exhibition.

28. Contrary to the custom of most agricultural societies, the Society has decided that the names of all exhibitors shall be placed on the card attached to the article on exhibition, EXCEPT IN DEPARTMENTS C AND E, DEPARTMENT H, and DEPARTMENT I, as to do otherwise deprives the exhibitors of one of the main features of these exhibitions, viz., advertising (but pictures, etc., in Department I may be identified on the back of same).

29. No person will be allowed to see the entries or have access to the entry-books until after the awards have been made.

30. All entries shall be for the first premium of the premium number under which they are entered, but, failing to take the first, shall compete for the second, if a second is offered; and, failing to take the second, shall compete for the third, if any; but shall not be awarded more than one premium under the same premium number.

31. Exhibitors must see to the proper delivery of articles and live stock on the grounds, and to the proper care of the latter, as no charges for transportation or drayage will be paid by the Society.

### EXHIBITS.

32. The grounds will be in readiness for the reception of exhibits any time during Thursday, Friday and Saturday preceding the Fair, but no exhibits will be received Sunday, except live stock from a distance that may have been delayed in coming. Neither will exhibitors be permitted to make any arrangements on that day, except such as the Superintendent may deem necessary.

33. Articles and animals provided with the required entry-tags will be assigned places by the Superintendent of Departments until Tuesday, October 16th, at 12 o'clock m., after which no more will be received in departments where premiums are offered except in classes where perishable goods are entered.

34. All animals must be exhibited in such place and at such times as the Superintendent in charge of such shall direct, in accordance with the official programme.

35. Any and all articles obnoxious or repulsive in their character shall be excluded from the grounds, or, if entered without being fully known, shall be removed at once.

36. Ladies from a distance desiring to exhibit textile fabrics may ship their goods to the Secretary, but in no case will he or the Society be responsible for any loss, damage or breakage. Goods so shipped must be directed to the Secretary, "Main Gate, Fair Grounds," and must arrive not later than Saturday, 15th. **No package will be accepted unless freight or express is prepaid.**

**Special notice is hereby given that none but textile goods and art work can be consigned to the Secretary for exhibition or competition.**

37. Exhibitors will be required to keep their space and stalls in a cleanly condition by removing therefrom any filth or litter and place it in front of said space or stall, where the scavenger force of the Society may get it with ease.

38. Should any person misrepresent his exhibit, and a premium be awarded upon it, such premium may be withheld by the Executive Committee.

**39. SPECIAL NOTICE.—Read carefully this rule as touching all exhibits: Exhibits not in place and fully installed by 12 o'clock Tuesday, October 16th, will receive no attention whatever from the Awarding Committee or experts.**

Exhibitors can have the use of halls and grounds for any reasonable number of days preceding opening day proper in which to place their exhibits. There is no good reason for delay. Hence it is repeated, this rule will be rigidly enforced "for the good of all concerned."

### PREMIUMS.

40. A premium ribbon is a badge of merit, and in no case should it be attached to article or animal where meritorious qualities are lacking.

41. The premiums are designated by ribbons, blue meaning first, red second, and white third premium. These ribbons will be attached only by the Director of each department, or his Superintendent, after Judges or Committees have made their awards and the same have been approved by the Directors.

42. The Society deems its diploma or medal to possess value equal to cash premium of not less than ten dollars. The exhibitor entitled to a prize equal to that amount will be at liberty

to commute a money premium for a diploma or medal, but not the award of a diploma or medal into a money premium.

43. Premiums are payable thirty days after the close of the Fair, and if not claimed by the first day of February, 1907, will be regarded as donated to the Society.

44. Medals and diplomas will be delivered at any time between November 1st and December 31st, 1906.

### INSTRUCTIONS TO SUPERINTENDENTS.

45. No Superintendent of Department will be permitted to employ help without written authority of the President or Secretary, and the Fair Association will not become responsible for the pay of help employed without such written authority. An order for all supplies must be obtained from the Secretary or Assistant Secretary.

46. Superintendents of Departments will be in attendance from 8 a. m. to 6 p. m. at their respective posts on the ground, Monday, October 15th, to Friday, October 19th, inclusive. They will have exhibits promptly placed, and departments must be in complete order by 12 m. Tuesday, October 16th.

47. If erroneous entries are made, they will make the necessary corrections or cause such to be made in the official entry-books.

48. Superintendents will point out to the Judges of Award the articles or animals to be inspected, and cause the same to be displayed in their proper places and at the proper time.

49. They will see that order and decorum are observed in their departments, and that property is protected against damage and loss by accident or otherwise.

50. They will also see that no property is removed before the appointed time, and that the checks are detached from the tags of property when removed, as a means to prevent fraud or mistakes by such removal.

### JUDGES.

51. The Society reserves the right to use either the single or three-judge system, or both, during the Fair of 1906.

52. The Judges of Awards, when ready for duty, shall be furnished by the Secretary with a list of all entries in their respective departments and books in which their awards are to be recorded.

53. Should any of the Judges previously selected fail to be present, the Director of each department is authorized to select to fill the vacancies, always endeavoring to select persons duly qualified by their pursuits or experience to make correct awards in each special department. In all cases the Judges, before awarding any premium, will be careful to see that the requirements of the Premium List have been strictly complied with by the exhibitor.

54. No person directly or indirectly interested will be allowed to serve as a Judge, and the Executive Committee will quash the awards in every case when a person interested has acted as a Judge; nor shall a member of the Executive Committee act as a Judge or umpire under any circumstances.

55. Judges are specially instructed not to award premiums to any animal or article because of its presence. It must be individually worthy. It is not the policy of the Society to encourage indifferent productions of any kind, or to distribute premiums equally among exhibitors, and no premium should be awarded to any animal or article that does not possess high intrinsic merits.

56. When two subjects of the same kind presented for premiums are deemed by the Judges of equal merit, and also of such a high degree that to either, if alone, the premium would be awarded, in such case the award must be to divide the first and second premiums equally between the two competitors; or, in

case there shall have been no second premium offered, then divide the first only in like proportion.

57. The Director in charge and the Special Superintendent shall attend the Judges when making the examination in their respective departments, and furnish them with all required information. PREMIUMS WILL NOT BE PAID TO PARTIES HAVING EXHIBITS WHERE IT IS PROVEN THAT THEY ACCOMPANIED THE JUDGES WHEN AWARDING THE PREMIUMS. The awards, when completed, shall be signed by the Judges and also by the Director, who will take charge of the book and return it to the Secretary. As the awards are made, the Director or his Superintendent will attach the ribbon indicating the award.

58. Decisions of Judges shall be final, and no appeal will be considered, except in cases of protest, in writing, with strong evidence of fraud or violation of the rules of the Society, which may be filed with the Secretary before the premiums have been presented.

59. Reports must be signed by each Judge in his own hand.

60. JUDGES CANNOT AWARD PREMIUMS TO ARTICLES NOT IN THE REGULAR PREMIUM LIST, BUT MAY MAKE RECOMMENDATIONS AND FILE THESE WITH THE SECRETARY, WHO WILL PRESENT THEM TO THE EXECUTIVE COMMITTEE.

#### POLICE.

61. All tickets—life members' tickets or other tickets—presented by persons not entitled to hold them must be taken up, and those offering them required to purchase others before entering the grounds.

62. The policemen shall be sworn in as conservators of the peace, and it shall be their duty to arrest any person creating any disorder or violating any of the rules of the Society or laws of the State.

#### PRIVILEGES.

63. One ticket, good for one admission each day of the Fair, will be given for every ten dollars of privilege money paid, and for each additional charge of ten dollars, or fraction not less than five dollars, one extra ticket, and no more.

At a meeting of the Executive Committee of the North Carolina Agricultural Society (Advisory Board), held July 29, 1905, the following resolution was adopted, and is hereby announced, that all persons interested may be governed accordingly:

**Resolved**, Every privilege granted must be in conformity with the laws of the State, and subject to inspection at any time; and no gambling of any sort will be allowed, and no toy whips will be allowed on the grounds.

All worthy and interesting shows or amusements are invited and will receive a cordial welcome.

Notice is hereby given that the above will be strictly enforced.

#### CARE OF STOCK.

64. Straw for bedding will be furnished by the Society in reasonable amount, free. Arrangements have been made with a responsible party to furnish hay, corn, oats, and chop feed on the grounds at market prices, in quantities to suit purchasers. The Society does not furnish feed.

65. In order to accommodate exhibitors to the best advantage, applications for stall should be made to the Secretary as early as possible. No charge is made for use of stables by animals regularly entered for competition.

66. Thursday and Friday will be the days of the parade, and all stock must be in the parade or forfeit premiums, except where stock is not able to come out, or too vicious, and that to be decided by the Superintendent in charge.

**All entries in this department must be made in the name of the producer.**

### SPECIAL PREMIUMS.

(Open to All.)

First. Second.

1. The individual making the largest and best display of Agricultural Products, Garden Vegetables, Fruits and Home Industries . . . . .	\$75.00	\$37.50
2. The individual making the largest and best display of Agricultural Products, Garden Vegetables, Fruits and Home Industries from a Two-horse Farm, who resides permanently upon his farm . . . . .	37.50	15.00
(No. 2 is open to those who have not used more than two horses on their farm for the year 1906.)		
3. For the best display of Products of the Farm, Dairy, Smokehouse, Household and Garden from a Mountain Farm in North Carolina . . . . .	25.00	
(No. 3 is open only to those who have not used more than one horse on the farm for the year 1906.)		
4. The individual making the largest and best display of Agricultural Products, Garden Vegetables, Fruits and Home Industries from a One-horse Farm, who resides thereupon permanently . . . . .	37.50	15.00

**Note.**—Articles entered for the foregoing premiums cannot compete for the individual premiums, nor for the premiums of the Board of Agriculture, but may compete for the Alliance premiums, provided exhibitor be an Alliance-man and so state on making the entry. This does not prevent an exhibitor from competing for any number of premiums, provided the same article is not entered more than one time.

All exhibits entered for competition must be grown or produced by the person competing, or under his or her direction.

One hundred points to be recognized as perfect.

Agricultural Products will be rated at . . . . .	60
Garden Vegetables . . . . .	15
Fruits, including Canned Goods, etc . . . . .	15
Home Industry . . . . .	10

All exhibits intended for special premiums Nos. 1, 2, 3 and 4 must not be placed with exhibits entered for single premiums, as it will confuse the Judges of Awards and entail trouble.

Each exhibit for premiums 1, 2, 3 and 4 must be worth in actual cash not less than the value of the premium competed for.

The awards will be made by a special committee appointed for the purpose, and exhibitors are assured that absolute fairness will be exercised.

The premiums are very liberal, and the Society hopes that they will be competed for, but positively no awards will be made unless the exhibit is meritorious.

### SPECIAL PREMIUMS OFFERED BY THE BOARD OF AGRICULTURE.

The North Carolina State Board of Agriculture offers the following premiums under a resolution adopted by the Board at their December meeting:

"Resolved by the Board of Agriculture of the great State of North Carolina, That for the purpose of advancing the cause of agriculture to the very front line of progress by fostering and encouraging intensive farming so as to ascertain the maximum crop an acre our soil is capable of producing in any and every part of our State, we offer \$25 as a first, \$15 as a second, and \$10 as a third premium, respectively, through the North Carolina Agricultural Society, for the following kinds of crops; said premiums to be offered under the following conditions, to-wit:

## DEPARTMENT B 1.—HORSES.

H. B. MARRIOTT, Director.

Unless the Judges deem the animal individually worthy, they will withhold premiums.

Pedigrees for this section must be fully verified and filed for examination and approval with the Director of this Department. Reference will be made to the English Stud Book, the American Turf Register, Wallace's or Bruce's Stud Book, or others of equal standing. Stallions or jacks only admitted to competition that have served ten mares during the season.

But ordinary stock, without pedigree and not standard bred, shall be admitted for exhibition and competition in its own class.

Exhibitors of horses will be required to test their animals under the direction of the Judge or Judges who may have charge of the class in which the entries are made. The Judge or Judges have full power to rule out of competition all who do not comply with their requirements.

Horses to compete for premiums must be sound, except in cases of stallions or mares injured by accidents which do not impair them for breeding purposes.

The age of horses and foals will be reckoned from January 1st. All foals will be considered one year old on the first of January succeeding birth.

From 10 a. m. to 4 p. m. all stock must be uncovered and an attendant there to answer all questions politely.

All stock must take part in the grand parade.

### THE STANDARD.

As Revised and Adopted by the American Trotting Register Association,  
May 19, 1891.

In order to define what constitutes a standard-bred horse, and to establish a breed of trotters and pacers on a more intelligent basis, the following rules are adopted to control admission to the records of pedigrees. When an animal meets the requirements of admission and is duly registered, it shall be accepted as a standard-bred animal:

1. Any trotting stallion that has a record of two minutes and thirty seconds (2.30), or pacing stallion that has a record of two minutes and twenty-five seconds (2.25), or better, provided any of his get has a record of 2.35 trotting or 2.30 pacing, or better; or provided his sire or dam is already a standard animal.
2. Any mare or gelding that has a trotting record of 2.30, or pacing record of 2.25, or better.
3. Any horse that is the sire of two trotters with records of 2.30, or two pacers with records of 2.25, or one trotter with a record of 2.30, and one pacer with a record of 2.25, or better.
4. Any horse that is the sire of one trotter with a record of 2.30, or one pacer with a record of 2.25, or better, provided he has either of the following additional qualifications: (1) A trotting record of 2.35, or a pacing record of 2.30, or better. (2) Is the sire of two other animals with trotting records of 2.35 or pacing records of 2.30, or one trotter with a record of 2.35, and one pacer with a record of 2.30, or better. (3) Has a sire or a dam that is already a standard animal.
5. Any mare that has produced a trotter with a record of 2.30 or a pacer with a record of 2.25, or better.
6. The progeny of a standard horse when out of a standard mare.
7. The female progeny of a standard horse when out of a mare by a standard horse.
8. The female progeny of a standard horse when out of a mare whose dam is a standard mare.

# IT IS AN INJUSTICE

O yourself and to your livestock if you do not help them to get rid of the lice and parasites that undermine their health and make them unthrifty.

After all, everything in this world has a beginning and unthrifty stock frequently are so because no effort is made by their owners to destroy the lice, cure the mange, itch, scab and the parasitic skin diseases that affect them. So long as this condition of affairs exists the food which is fed to the animals is absorbed by the parasites and pests and consequently you are feeding hay to mites, and the animals get no benefit from it. Stop that condition of affairs now by using

## CHLORO-NAPTHOLEUM DIP AND LIVESTOCK DISINFECTANT

Pronounced by every Agricultural Experiment Station, prominent veterinarian and breeder throughout the country as the most efficient, safest and most economical dip and disinfectant that can be used.

As a disinfectant it destroys all odors and impurities, and keeping away contagious and infectious germ diseases.

As an antiseptic wash it immediately destroys all lice, mange, mites, scabs, ticks and other parasites, at the same time stops the bleeding from cuts, heals sores, wounds and bruises and improve the growth and texture of the hair.

As an internal remedy it cures scours, and contagious abortion.

Besides, there is still another reason why you should use Chloro-Naphtholeum Dip, and that is, you cannot afford to take any risk in using a preparation that has the smallest possible chance of inflicting any injury or hurt to the animals, Chloro-Naphtholeum Dip is absolutely non-poisonous and non-caustic.

Try Chloro-Naphtholeum Dip now, and you will become a regular customer, we are sure. You can get a supply from the nearest dealer who will furnish it in one gallon quantities at \$1.50, 5 gallons at \$6.75, ten gallons at \$12.50, or it will be sent direct, all charges prepaid by

## DEPARTMENT B 2.—CATTLE.

BENEHAN CAMERON, Director.

Unless the Judges deem the animals **individually** worthy, they will withhold premiums.

All except Grades or Natives must be registered and certificates of registration filed with the Secretary. In all entries for Grades, either the sire or the dam must be registered thoroughbred, and so proven. Only residents of North Carolina can exhibit and take prizes in the Grade and Native cattle classes and in classes "owned in North Carolina."

Owners of cattle in North Carolina can also compete in "open to the world," but only one premium in cash will be paid for the same animal—diploma will be given, in case both premiums are taken, for the other class.

Cattle arriving at the limit of age during the month of October of holding the Fair shall be deemed to be under that age.

Cattle entered for individual premiums can also compete in one of the herds.

**Exhibitor's Herd** to consist of one bull and not less than four cows or heifers over two years old.

**Breeder's Young Herd** to consist of one bull and four heifers under two years old. The same animals cannot show in both herds.

# There Is A Reason for Chewing Reynolds' Sun-Cured Tobacco

---

---

Chewers becoming tired of heavily sweetened sun-cured tobaccos caused **REYNOLDS' SUN-CURED** to quickly win from the old brands of much longer standing the place as favorite with sun-cured chewers, because it contains just enough proper sweetening and flavor to preserve the quality of the leaf and enhance its goodness, causing a large increase in the demand for sun-cured tobaccos.

Is not only pure sun-cured; but it is made from choice selections of the genuine sun-cured leaf grown where the best sun-cured tobacco grows. It is like that you formerly got, costing from 60c. to \$1.00 per pound, and is sold at 50c. per pound in 5c. cuts; strictly 10c. and 15c. plugs, and is the best value in sun-cured tobacco that can be produced for chewers.

# Do You Want a Farm?

---

Here's Your Chance  
to Get One Cheap

## Eastern North Carolina

offers greater opportunities to the homeseeker to-day than any other part of the South. Along the lines of the Atlantic and North Carolina, the Raleigh and Pamlico Sound and the Norfolk and Southern Railroads vast tracts of magnificent land, hitherto heavily timbered, are now being opened up for cultivation.

No other section of equal acreage in this country yields or is capable of yielding the quantity, quality and variety of corn products that this section does. It grows a large per cent of the early vegetable supply of the country and for general farming is unsurpassed. The soil is of great depth and fertility, and its productive capacity is practically unlimited. The climate is healthful, and droughts, floods and severe storms are unknown. So equable is the temperature that snow seldom falls. There are no killing frosts for seven months and outdoor work can be done all the year round. Three and four crops a season can be grown successfully and it frequently happens that a farm is made to pay for itself the first year. And yet these lands can just now be bought at exceedingly low prices and on easy terms.

conditions, keeps in health, gives appetite, aids digestion. No matter what you are feeding for, growth, fattening, milk, work, it puts animals in condition to do their best in shortest time.

### Growth Was Great.

Prussian Remedy Co., St. Paul, Minn.

We have tested Prussian Stock Food for cows and hogs. Cows show a large gain of milk and gain in flesh. The hair looks sleek. Our fattening hogs have done the best we have ever had. hogs do and the growth of our pigs and shoats was simply great. It will well pay any farmer to feed the Prussian Stock Food.—S. T. Baker, Jamestown, Ohio.

### Turned Off The Fattest Cattle.

I fed Prussian Stock Food last winter and turned off the fattest cattle I ever did for the same length of feed. I am feeding the same this year with the same result. I consider the Prussian Stock Food well worth the money, and would not be without it.—G. W. Arney, Parker, S. D.

## DEPARTMENT B-3.—SHEEP.

GEORGE ALLEN, Director.

Judges will not award premiums unless the animal is fully meritorious.

Exhibitors are required to have their stock ready in the pens for the Judges by 10 o'clock a. m. the second day of the Fair. This rule will be strictly enforced. See that your entry cards are properly made out and securely placed in a conspicuous place on the pens.

### Rules Governing Judges.

Judges of sheep are expressly instructed that it is their duty, in every case, to require from each exhibitor in lots of pure breeds satisfactory evidence of purity of breeding as claimed; and Judges, when awarding a premium in any such lots, will be understood to say by such award that (in their opinion) the animals receiving the premium are, beyond a reasonable doubt, purely bred, as claimed.

All ewes three years old and over shall have raised a lamb this season.

All sheep offered for competition must be accompanied with an affidavit to the effect that they have been shorn since April 1, 1905, and the date of shearing must be given.

Flocks and pens of sheep must be owned by one individual or previously existing firm.

Animals competing for the individual premiums may also compete for the flock premiums.

**The Corn  
Grower's Friend**

SAVES ITS COST TEN TIMES IN ONE CORN CROP.

EVERY FARMER WHO CUTS AND SHOCKS HIS CORN MUST  
HAVE ONE OR MORE.

With this simple device one man can bind the shocks as fast as ten or fifteen men can cut and shock the corn.

Approved by every State Experimental Farm and Agricultural College where tried.

LIVE, ACTIVE CANVASSERS WANTED in every county and township in the Union where corn is grown. Our salesmen are averaging ten to fifteen sales per day. You can make \$50.00 per week. Write or telegraph for agency for your locality. Remit \$2.00 by registered letter, postal or express order, and we will send, prepaid, one of the Shock Binders, and our contract, and letter of instructions, and order blanks.

## **American Shock Binder Corporation**

No. 8 South Tenth Street, RICHMOND, VA.

Reference: W. K. BACHE & SONS, Implement Dealers, Richmond, Va.

State Test Farm, Dept. of Agriculture,

Saxe, Va., November 9, 1905.

We have given the Fontaine Shock Binder a thorough trial this season, and I consider it one of the finest implements that we use on the farm. One man with it can do more work, and do it more thoroughly, than two men can with a rope or wire. Our one cornfield is a steep hillside, on which not a single shock has been blown down, although we have had some very high winds since the corn has been shocked.

S. B. HEIGES, Manager Virginia Test Farm.

The N. C. Department of Agriculture,

Statesville, N. C., Dec. 18, 1905.

It gives me pleasure to say that I am well pleased with the American "Fontaine" Shock Binder, and think it is worth many times the price paid for it. One of the greatest difficulties in shocking corn is to draw the tops of the shocks together so as to prevent damage from rain. This Binder aids wonderfully in overcoming this difficulty.

I am, very respectfully,

F. T. MEACHAM, Supt. Test Farm.

Raleigh, N. C., Oct. 14, 1904.

I have tried your Binder and feel free to say that it is a most effective and useful implement in shocking corn, and the price is so low that every farmer can afford to use it. It is so light and easily carried in the field that there is no temptation to do without it by reason of any inconvenience. It is as easy to use as a rope and pulley, and enables one to make the shock much tighter by reason of the leverage given.

W. F. MASSEY, Editor of the Practical Farmer.

JULIAN S. CARR, Director.

J. P. KERR, Expert Jndge.

J. S. JEFFREY, Superintendent.

**Rule 1.** The American Standard of Perfection, revised edition, will be the guide of the Jndges in awarding the premiims, and premiums will be paid on all Standard varieties as per list following.

**Rule 2.** Unless there are two or more entries in each class of Cocks, Hens, Cockerels and Pnlets second money will be paid and first honor given. No premium will be given unless specimen is worthy.

**Rule 3** Competition is open to North and Sonth Carolina breeders only, and all specimens exhibited must be the property of the exhibitor. Any attempt to evade this rule will exclude all specimens entered by the offending party from competition.

**Rule 4.** All entries should be made with the Secretary not later than Friday, October 12th, and specimens must be in the coops by 9 a. m, Tuesday, the 16th, as judging will begin at that time, and all specimens not in place will be debarred from competition. Entries may be made in person or sent by mail.

**Rule 5.** All specimens this year will be classified and each breed groped. No exception will be made tq this rule.

**Rule 6.** For the benefit of beginners we append the recognized terms: Cock, a male specimen hatched prior to 1906; Cockerel, a male specimen hatched during 1906; Hen, a female specimen hatched prior to 1906; Pullet, a female specimen hatched during 1906.

## NOTES.

Exhibitors need not accompany their fowls. When addressed to the Superintendent Poultry Department, State Fair, Raleigh, N. C., with express or freight charges paid, they will receive proper attention and be returned to owners at the close of the Fair. Express charges are made to and from the Fair.

The Society will feed and coop free all specimens sent.

No entry fee is charged.

Make your entries very plain and send to the Secretary by mail as early as possible, but in no case later than the 12th October.

The Society will not be responsible for loss from any cause whatever, but the best care and attention will be given.

## DEPARTMENT D.—HORTICULTURE, ETC.

F. C. REIMER, Director.

Read the rules carefully and comply strictly.

All entries in Fruit and Vegetable classes must be made by the growers, and all fruits must be of State growth. All entries in Manipulated Fruit and Vegetable classes must be by those who manipulate the same.

Entries in Tool and Package classes may be by manufacturer or retailer, and need not be of State manufacture. Entries in Nursery class open to State-grown plants only.

"Plates of fruit" means that the fruit is to be placed upon wooden plates, which will be furnished by the Secretary. Each plate is to contain five specimens, and no more. Each plate of fruit must be plainly and correctly named, and the entry tag attached to the same, so that the entry can be identified by the committee without difficulty. Plates entered for the single plate premiums are all to be arranged by themselves, and not mixed up with those entered for general collections. A premium offered for a general collection of fruit will not be awarded to a mere pile of apples or other fruit, but must be for a real collection, arranged on plates of five each and all correctly labelled, and no fruit will be counted in a collection unless it is a fair specimen of the variety. No trashy fruit of any kind will be counted merely to make up a collection. A premium for the best collection of grapes, peaches, or any other fruit, will not be awarded to a mere number, but to the quality of the exhibit mainly. Brandies and wines must be in sealed and neatly labelled bottles. The committee will withhold premiums in any case where there is no competition and the article is of inferior quality, and no second premium will be given solely because there is no other exhibit but the two but all fruits must be of good quality. No attention will be paid by the committee to any fruit or other exhibit that is not arranged in accordance with these rules. The awards for fruits will be made on the afternoon of the second day of the Fair, and all not then in place will be left out. No exhibitor will be allowed to discuss exhibits with the committee, or to interfere in any way while the committee is at work. If the exhibits are not so arranged that the committee can find all without help, they will be left out in the award. To avoid all unnecessary walking to and fro on the part of the judges, the fruit exhibit must be arranged in consecutive space near together, and not scattered about the buildings. The same rule will apply to the exhibits of bottled liquors and canned goods.

In the exhibits of exotic plants in pots, the plants competing for each premium must be arranged by themselves, as the judges will not hunt among a mass of plants to find the ones competing for special premium, and no plants in the professional class will be awarded a premium, unless it shows a well-grown specimen of its kind. The premium for the ten roses is held to mean ten varieties, each in a separate bottle, with label attached giving the correct name of the variety. In the premium for the best and largest assortment of cut flowers, each variety must be shown in a separate bottle of water, or other vessel, to show them properly and keep them fresh, and no notice will be taken of collections loosely thrown on the tables. In the premiums for the best bouquet, basket and floral design, attention will be given as much, or more, to the tasteful arrangement than to the particular kinds of flower used.

In the nomenclature of fruits the names adopted by the American Pomological Society will rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited. A pile of fruit brought for sale merely, will not be allowed to count in a general collection of fruit, as all fruit shown for premiums must be arranged on plates, and remain on them till the close of the Fair.

# Wood's Seeds

## CRIMSON CLOVER

**sown at the last working of  
the corn or cotton crop**

Can be plowed under the following April or May in time to plant corn or other crops the same season. Crimson Clover prevents winter leaching of the soil, is equal in fertilizing value to a good application of stable manure, and will wonderfully increase the yield and quality of corn, cotton or other crops which follow it. It also makes SPLENDID WINTER and SPRING GRAZING, FINE EARLY GREEN FEED, or a GOOD HAY CROP. Even if the crop is cut off, the action of the roots and stubble improves the land to a marked degree.

Write for price and "Wood's Crop Special," giving timely information about all seasonable seeds.

### Hege's Improved Saw Mill

is built in three sizes—Light, Medium and Heavy. Carriages 25 ft. to 60 ft. Hege's Pat. Rectilinear Simultaneous Set-Works are recognized as having no equal for accuracy, the great desire of all sawyers.

### HEACOCK-KING PAT. VARIABLE FEED WORKS

will increase the cut of the mill 25 to 50 per cent. Can be instantly changed from slow to fast or vice versa while saw is in the cut. Requires no change of friction or movement of the body. Is nearly automatic in operation and is controlled altogether by a slight pressure on the lever. For small mills it is superior to a steam-feed. Is attached to all our mills.

## DEPARTMENT H.—LADIES' WORK.

JOHN S. CUNINGHAM and JAMES R. YOUNG, Directors.

(Any article not meritorious **must** be passed over by the Judges.)

Articles in the department must be entered in the name of those whose skill they exhibit. They must have been made within three years and without having taken a premium at former Fairs of the Society. Violation of this rule will bar from competing for any premium, and the exhibit may be excluded.

Whenever the Superintendent of Department receives information that any exhibit is not the work of the person offering the same, affidavit may be required before premium is paid.

Articles will not be received which have been soiled by use or exhibit elsewhere. No article to compete for more than one premium, except in general display. Display must include not less than three articles in all cases. No exhibitor can be allowed to interfere with Judges. Violation of this rule excludes from premium.

No article to compete if Judge or attache is interested.

### Display by Ladies.

First. Second.

1750. Best general display made by lady resident in the State.. \$10.00 \$5.00

(Composition of display left with exhibitors, conditions being that all articles must show woman's handiwork in cookery, decorative art, fancy work, sewing, etc. **Every article exhibited must be the work of the exhibitor within two years past, and never before shown for premium, and each exhibit must contain specimens of all work above designated.** Articles in this exhibit cannot compete for other premiums, and employees or attaches of the Fair excluded.)

## DEPARTMENT I.—FINE ARTS, PAINTING, ETC.

W. S. PRIMROSE, Director.

Exhibitors must mark all boxes or packages containing articles for Department "I" on the outside, both ends, "Art Department." List must be enclosed with name and address of exhibitor within the box.

Pictures should be framed, and pastels under glass. Water-colors, drawings and pen-and-ink work may be protected by mats.

The name of the artist should be attached to the back of all specimens of paintings, drawings, etc.

Articles exhibited at previous Fairs are positively barred from competition. This rule will be rigidly enforced.

## DEPARTMENT L.—EDUCATIONAL.

Prof. EDWARD P. MOSES, Director.

(Competition for premiums in this Department is confined to North Carolina.)

Exhibits by schools must be exclusively the work of pupils (except collections of natural specimens and working outfit) actually attending the school, and the work must have been done since June, 1904.

Exhibits by schools may include art work, fancy work, penmanship, map drawing, culinary work, collections of geological, mineralogical, zoological and botanical specimens, plain and fancy sewing, by hand or machine, mechanical work, farming products, etc. Particular articles in such exhibits may compete for premiums offered in any other department, and may compete in this department, provided such entry is the work of a student, but duplicate lists of such articles must be sent with the exhibit, that entries may be made in such departments.

The male or female departments of a mixed school may compete for premiums in the name of the school to which they belong.

## SHAW UNIVERSITY

RALEIGH, N. C.

ESTABLISHED DECEMBER 1, 1865

*A Pioneer in the Education of Colored Young Men  
and Women*

All Departments have grown better with age, and parents can feel that Shaw is a safe place for their sons and daughters.

THERE ARE DEPARTMENTS OF  
**LAW, MEDICINE, PHARMACY, MUSIC AND THEOLOGY**  
AS WELL AS  
**NORMAL, SCIENTIFIC, INDUSTRIAL AND COLLEGE  
COURSES OF STUDY**

A corps of thirty-eight Professors, Teachers and Employees is in charge of the various Departments. For acquiring a solid education at a trifling cost excellent opportunities are afforded.

The Industrial Departments for both Young Men and Women are being enlarged and extended and scientific instruction for both Men and Women is given by competent teachers.

A central heating plant has been installed. Other additions contemplated.

The next session begins October 1st, 1906.

The attendance has so largely increased during the last few years that all who wish to attend must make application in writing some time in advance.

Alabastine Combines Cleanliness and  
Beauty and it will not  
rub off.

For churches, school houses, club rooms and halls—in fact for all interior surfaces, whether on plaster, brick, wood or canvass, ALABASTINE is unequalled.

Why spoil new walls with an ordinary glue kalsomine under some fanciful name, thus getting them in a scaling condition and that will rub off and has to be washed and scraped off, or pollute them with poisonous wall paper stuck on with a mouldy vegetable paste, when handsomer results for the same money can be produced with pure sanitary ALABASTINE.

Kalsomines are stuck on with glue, ALABASTINE cements to the wall, going through a natural process of setting.

Write us for further particulars. A tint card showing many shades made by intermixing our regular ones and white ALABASTINE, also for color suggestions from our artists how to artistically tint your home. All free.

INSERTING A ROLL OF PAPER.

*The*

# Vertical Paper Cutter

¶ No "up-to-date" merchant can afford to be without this most unique device for handling roll paper. Time saving and space saving is an object with every mercantile firm to-day. Its advantages and superiority as a store fixture are :

**READINESS** with which a roll of paper can be removed or inserted.

**ITS DURABILITY**—Due to the fact that no part of weight rests on axles or pivot. The whole weight resting on the Steel Ball Bearing Base.

**ITS COMPACTNESS**—Only occupying a space of 8x10 in. on counter.

**EASE OF MANIPULATION**—Due to the fact that there is only one bearing and that is provided with anti-friction devices, so that a touch is sufficient to revolve the roll of paper.

**UNIFORMITY OF OPERATION**—As it cuts the last sheet as smoothly as the first.

**NEATNESS OF APPEARANCE**—Since it presents to one in front a view of only the roll of paper and the knob at the top.

**CONVENIENCE OF MEASURING PAPER**—The paper being right up before your eyes.

---

The Worst Mashed and Tangled Rolls Handled, Because no Axle has to be Forced through the Roll. Made in all sizes and finished with the best nickel-plating and black enamel.
